

NEW

Attachment to original footrest mount.

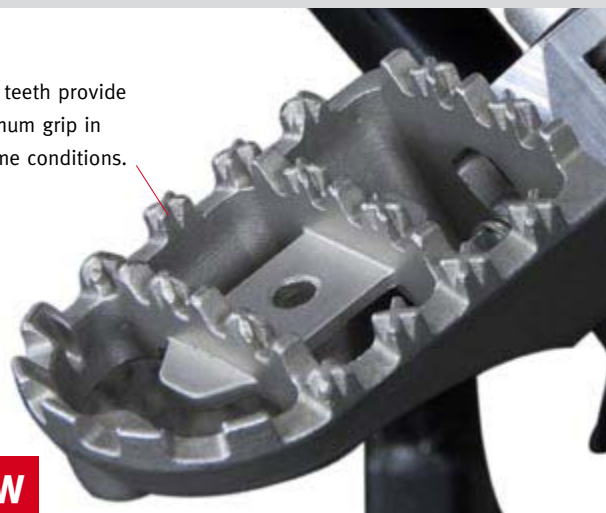

Attachment to original
footrest mount.

NEW

- Versatile footrest upgrade that attaches to original footrest mount.
- Made out of high-grade, corrosion resistant stainless steel with removable rubber pads (reduces vibration transmission).
- The massive platform on the pegs offers increased comfort and stability.
- Large teeth provide maximum grip in extreme conditions.
- Footrest hinge CNC-milled from high-strength aluminium alloy.
- Allows the choice between standard and lowered mounting positions for a custom fit.
- Excellent for both off-road and touring use.

For off-road use.

Large teeth provide maximum grip in extreme conditions.

NEW

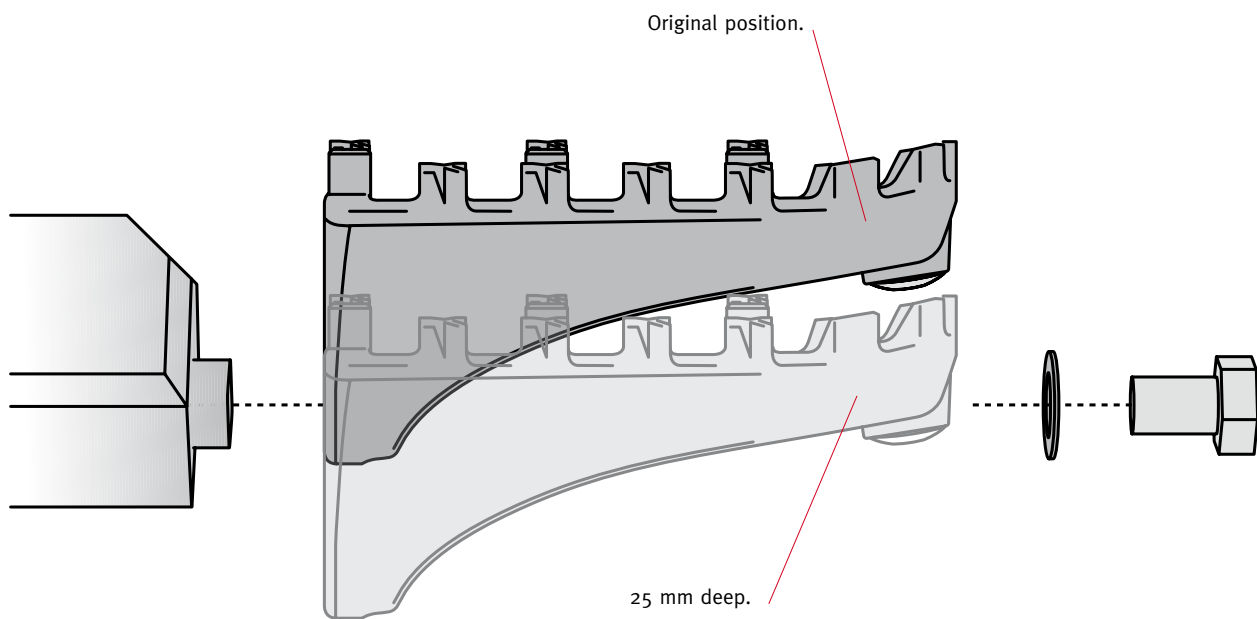

For touring use.

Removable rubber pad adds grip and comfort for street riding.

NEW

Adjustability in height.
