Upgrade Performance Back Inserts

Size: 001
Code: BI-001
Height: 39cm
Max Width: 30cm

Size: 002
Code: BI-002
Height: 45cm
Max Width: 34cm

Size: 003
Code: BI-003
Height: 42cm
Width: 27cm

The back inserts are available in 2 levels of protection (except size 006)

The Pro offers the ultimate in protection, to Level 2 standard, the Sport is slightly thinner, lighter, and cheaper in cost. This we recommend for lighter weight jackets.

PRO (EN1621-2:2003 Level 2 - L2) BI-001-2/BI-002-2/BI-003-2 **KR. 449,00**

SPORT (EN1621-2:2003 Level 1 - L1) BI-001-1/BI-002-1/BI-003-1 **KR. 399,00**

The perfect performance upgrade for any Motorcycle jacket! Aimed specifically at the "after market" Instantly and vastly improve the safety aspect of your jacket.

The Forcefield back insert is designed to be soft, flexible and comfortable.

Designed in 6 shapes, so therefore suitable for the majority of jackets on the market and in two levels of protection. An absolute must-have for any rider who does not use a dedicated back protector!

- Available as a Level 2 (Pro) product for ultimate protection, or Level 1 (Sport) product
- Numerous sizes available, giving a vast choice to suit most jackets
- Optimum performance
- Repeat performance technology
- Comfortable and non restrictive
- Reassuring solid yet slimline fitting
- Breathable Lightweight and Flexible
